## THE KŐSZEG-FACTOR

Kőszeg: Where multidisciplinary is prevalent, critical thinking is encouraged and past meets future.

Kőszeg Campus does not only offer a valuable diploma – it enables to pursue cutting-edge research mentored by top scholars. We offer students the unique opportunity not just to be part of a university, but also to be part of a newly established research institute called Institute of Advanced Studies Kőszeg (iASK) ([www.iask.hu](http://www.iask.hu)).

Therefore, we are seeking exceptional students who want not just to have a degree but also be involved in intense academic life at iASK.

**KŐSZEG:**  
WHERE FUTURE STARTS.

## WE OFFER

- ◆ multidisciplinary approach to complex problems
- ◆ internationally renowned researchers
- ◆ personalized mentoring
- ◆ participation in cutting-edge research
- ◆ innovative, modern teaching methods
- ◆ up-to-date practical knowledge
- ◆ preparation for research career and PhD studies
- ◆ a picturesque town surrounded by beautiful countryside
- ◆ family-like atmosphere

## WHOM WE EXPECT?

Students who are interested in complex problems of economics, politics and social sciences and want to understand local, regional and global connectivity and also would like to acquire practical knowledge about the techniques in international communications.

# YOU GAIN

- ◆ the ability of critical thinking
- ◆ multidisciplinary perspective on complex issues
- ◆ opportunities to start networking
- ◆ deep insight into the challenges, threats and opportunities of the 21st century
